Mule Jam 2022

August 12 & 13, 2022 • 51 Sold Lane, Russellville KY

VOLUNTEER INFORMATION

Volunteer TEAMS and TEAMSTERS

Volunteer teams and teamsters are needed in roles such as People Haulers, Field Demonstrations, Equipment Exhibitions, Wagon Rides, Operate Children's Train, etc. These are just a few of the options open for volunteer teams.

Volunteer teams are basically at Mule Jam to perform, entertain and promote a positive image to the public of the mule industry. This will happen by use of broke mules and experienced members of the industry offering their time to share stories and answer questions.

Volunteers must provide feed, hay and tack for their teams. Mule Jam will provide tie out locations, water and primitive camping area for those wishing to camp during the event.

Mule Jam will coordinate equipment, wagons and other

hitches for the event.

ID Passes will be provided to volunteers so they may pass freely and quickly throughout all areas of the event.

Mule Jam is seeking enough volunteers and teams to allow scheduling of four hour shifts each day. Volunteers will be expected to cover their assigned areas when scheduled, but are more than welcome to offer rides or help in other areas during their down time, if they so choose.

Other Exhibitionist, Musicians, Etc

Shade Tree Musicians, Story Tellers and Exhibitionists to demonstrate other equipment or crafts that are not for sale will be a volunteer. Your participation will be a great asset to Mule Jam not only for entertainment but education.
